Time: 19.45 on Friday, September 9

Place: room **112** at the Faculty of Social Sciences (Smetanovo nabr. 6)

On foot: **10 minutes** from our Section venue, the Faculty of Arts (or 14 min from the other ECPR venue, the Faculty of Law)

**We recommend walking:** we've been told its one of the most beautiful walks in the city centre with a tremendous view of Prague Castle on the other side of the river!

The walk is very easy: although the street changes names\*, you **basically just go straight**.

\*First the street is called **17. listopadu**. When you pass the Faculty of Arts with Manes Bridge and Rudolfinum Concert Hall on your right it changes to **Krizovnicka**. When you pass Charles Bridge it changes to **Smetanovo nabrezi** until the Faculty of Social Sciences which is a quiet beautiful embankment with a spendid view of Prague Castle.

(Please see the **map on the next page**)
